

“The Seneca County Prosecutor’s Office supports a “NO” vote on Issue 1. Issue 1 does not solve any of our criminal justice problems, but instead pushes criminals out of the state system and back into local treatment,” DeVine states. “Issue 1 removes felony possession of cocaine, fentanyl, heroin and other drugs from our laws. Issue 1 mandates a reduction in most prison sentences by 25 percent – taking away authority from our courts. We urge everyone to vote NO on Issue 1.”
