Seneca County

Confirmed Cases: 3
Deaths: 1

Resources:

Ohio ODH: coronavirus.ohio.gov

CDC: [CDC.gov](https://www.cdc.gov)

Seneca County General Health District: senecahealthdistrict.org

Executive Summary

Governor Mike DeWine announced that the USDA has given approval to Battelle to use its PPE sterilization technology. The company has two units located in central Ohio, and two more to be transported for use in hotspot areas in New York City and Seattle. Each device can decontaminate 80,000 materials per day.

DeWine also announced that Ohio schools will be closed through Friday, May 1st as directed by an order to be signed by Ohio Department of Health Director Dr. Amy Acton. They plan to reevaluate as that date approaches.

HOSPITALS: Currently, 25 percent of Ohio cases are resulting in hospitalization and 8 percent are requiring ICU care. About 18 percent of the cases are health care workers. Adj. Gen. John Harris is working to help double hospitals' capacity through the use of alternative locations and other resources to accommodate the increased demand.

All press releases, FAQs and information regarding Ohio's response can be found at coronavirus.ohio.gov.

John Spahr Emergency Management Administrator
Mike Klaiss Emergency Management Deputy/911 coordinator
126 Hopewell Ave., Tiffin, Ohio 44883
Office: 419.447.0266 • Fax: 419.448.5064

Governor DeWine reports that there is now an email set up to coordinate donations and offers to help. This address is together@governor.ohio.gov.

Dr. Acton reports there is a new coronavirus interactive dashboard at <https://coronavirus.ohio.gov/wps/portal/gov/covid-19/home/dashboard>.

Seneca County General Health District:

Today, the Seneca County General Health District reported the death of a hospitalized patient from Seneca County who had tested positive for COVID-19. The patient was 85-year-old woman. The health department's communicable disease nurse will do a detailed history of the patient to determine where she may have acquired the virus. Please see attachment for the entire release

Seneca County Health Commissioner will produce Facebook Live videos with updates from the Health District. These will occur at 10:30 Mondays, Wednesdays, and Fridays. Videos will be archived on Facebook and can be viewed live on the Health Department's and Commissioner's FB pages.

Emergency Management Agency

The Ohio Emergency Management Agency (Ohio EMA) is receiving reports of spam calls to Ohioans from individuals claiming to be from the Ohio EMA and requesting personal protected information, such as a Social Security number. "The Ohio Emergency Management Agency is not calling Ohioans and asking for their protected personal information," said Executive Director Sima Merick. "If you receive such a call, it is a scam. Please hang up the phone." Please see the attachment for the entire release.

EMA is continuing to accept and process Personal Protective Equipment from non-emergency sources to help support the supply for the Health Department. Contact the EMA at 419.934.1967 to arrange a drop-off. The Donation Center at the Public Safety building will be accepting donations from 8 a.m. to 4 p.m. M-F. These resources will be prioritized and dispensed on the directive of the Seneca County General Health District.

Blood Collection

The American Red Cross now faces a severe blood shortage due to an unprecedented number of blood drive cancellations in response to the coronavirus outbreak. **Blood donation is considered an essential service** to ensure the health of the community and is listed as an exception in the state order. While everyone is being asked to avoid mass gatherings, it's very important to note that blood drives are **not** considered "mass gatherings."

Together, we must ensure a readily available blood supply for patients who are counting on us. Individuals can schedule an appointment to give blood with the American Red Cross by visiting

126 Hopewell Ave., Tiffin, Ohio 44883
Office: 419.447.0266 • Fax: 419.448.5064

RedCrossBlood.org, using the Red Cross Blood Donor App, calling 1-800-RED-CROSS or activating the Blood Scheduling Skill for Amazon Alexa.

Mental Health and Recovery Board of Seneca, Sandusky and Wyandot Counties

During these uncertain times, our office may be closed to the public, however, we are still hard at work to ensure that community member's needs are met. Our board staff is ready to help you navigate the resources. Call our office at 419.448.0640 for any questions regarding behavioral health.

County Commissioners

The Seneca County Board of Commissioners approved a state of emergency declaration Thursday March 26th in response to the COVID-19 pandemic that is affecting communities across the world. The proclamation, which can be viewed in its entirety at senecacountyohio.gov, gives limited emergency powers to County Administrator Stacy Wilson, could set the county up to receive state or federal emergency funds and allows the commissioners to hold digital meetings. This declaration can be read in its entirety at senecacountyohio.gov

City of Tiffin

Mayor's Messages: Due to the current COVID-19 health crisis, I have determined it necessary to waive late fees for sewer bills for all residences and businesses for March, April, May and June in 2020. This authority is granted to me under the emergency powers of the Mayor in Chapter 131 of the Tiffin City Charter.

Declarations and orders by the Mayor and City Council can be found at tiffinohio.gov.

Courts

The Common Pleas Courts have postponed all jury trials for the time being, and are asking those with trial and hearing dates to call ahead of time to confirm that they need to appear in person. When appearing, only bring those persons that are necessary to the case. Family members and others will not be admitted to the courthouse.

Clerk of Courts

The Title office is temporarily closed to the public until further notice.

Seneca County Veterans Services

The Veterans Services department has stopped all in-person meetings with clients. Services will continue using phone and email. Contact the Seneca County Veterans' Services Office for more information.

Job and Family Services

The Ohio Department of Job and Family Services urges individuals to file their claims online, if possible, at unemployment.ohio.gov.

126 Hopewell Ave., Tiffin, Ohio 44883
Office: 419.447.0266 • Fax: 419.448.5064

Employers with a critical need for employees are looking for workers. Go to Ohiomeansjobs.gov to search and apply.

Healthcare

Nursing homes have ended visitation at this time to limit the exposure of the residents.

Testing for the coronavirus is not necessary for everyone who may have the symptoms. Testing is not necessary for asymptomatic individuals. Testing will be reserved for Health Care workers and vulnerable populations only. Please call your doctor or health care provider if you think you have symptoms or call ahead to the hospital before you travel to the ER. If you are in distress, call 911 and tell the dispatcher your symptoms.

EMS

Dispatchers in Seneca County have been doing a great job at screening calls for symptoms of the COVID19 and passing that information on to first responders to protect our front line emergency medical workers.

EMS services in the county continue as usual, however, it is requested that you call your health care provider before calling 911 regarding symptoms of COVID-19. If you are in respiratory distress, call 911.

Law Enforcement

The Seneca County Sheriff has ended prisoner visitation for the foreseeable future to limit exposure to the inmates and staff of the jail and Sheriff's department personnel.

Tiffin City Police officers are taking reports by phone as much as is prudent, but still responding to emergency calls. Officers will remain on patrol throughout the city.

Fostoria Police Officers are also taking reports and patrolling; responding to emergencies as needed.

Tiffin PD and Fostoria PD have met and agreed to share resources (officers and dispatchers) if the need arises to continue to provide a safe level of service.

Business

Lt. Gov. Husted advised that seasonal workers are needed by companies such as Kroger, Wal-Mart, Amazon, and others during this incident. You can get more information at Ohiomeansjobs.com. Other information for businesses can be found at coronavirus.ohio.gov.

Lt. Gov. Husted said that businesses can defer BWC payments for March, April and May. BWC and the state government will revisit that timeline in May. This decision will leave \$200 million in the local economies. Department of Transportation will issue waivers for weight and size restrictions on critical supply shipments and will waive the fee for oversized loads of critical supplies. SBA loans are available for impacted businesses at disasterloan.sba.gov. Health Insurance payments from businesses can be waived for 60 calendar days as well.

TSEP and the City of Tiffin have put together webpages to direct the public to restaurants with carryout and delivery options.

Higher Education

Tiffin University has suspended classroom learning and moved to an online environment.

Heidelberg University campus will close at 5:00 p.m. Sunday, March 22nd. Classes will resume Monday, March 23rd remotely through the end of the spring semester. Heidelberg will lock all exterior doors of buildings Monday, March 23rd with staff reporting to campus for work. No in-person business will be conducted. Some employees will be approved to work remotely.

Public/Private Schools

Seneca County Opportunity Center: We are currently closed to the general public but are available by phone (419) 447-7521. We have distributed the resources that we have maintained and looking for ways to support other agencies who support individuals with Developmental Disabilities.

As per the Governor's order, schools are closed through May 1st for the time being. Some schools are providing breakfast and lunch, delivered to sectors around the area for students and teachers are reaching out to students to assist them in learning while at home.

Administration

FEMA is working with the states to get their agreements in place for an Emergency Declaration. This is very different than a Disaster Declaration. The Department of Health and Human Services will be the lead on this Emergency Declaration, and this is unprecedented. It is vital that agencies that are experiencing extra costs in overtime, supplies, etc. keep a detailed record of expenses and time worked. There is no guarantee right now that these expenses will be reimbursed through FEMA, however, if there is a match required for grants or relief, overtime, volunteer time and time worked outside of regular hours, if documented, could be used to offset match requirements.

This daily situational report will be sent around 4 p.m. each day M-F and as needed over the weekend. If you wish to update or add information to this report, please get it to the EMA at jspahr@senecacountyohio.gov by 2:30 p.m. each day.
